Digital marketing opportunities

TARGETED EMAIL MARKETING

Deliver your tailored message directly to your best prospects. Targeted emails are a great way to build brand awareness, introduce new products, announce special offers and drive qualified traffic and leads to your website.

WEBINARS

World Grain's hosted webinars offer a powerful opportunity for brands looking to share their compelling content and expert insights with targeted audiences. Leveraging World Grain's exclusive subscriber database drives quality viewership and ensures that your messaging is heard by difference makers across the grain, flour and feed industries.

E-ZINES

Spotlight your company's technology or service by showcasing how it addresses a current consumer trend in the marketplace or how it delivers solutions to grain, flour and feed companies' challenges. Your team or our editors share the details behind success stories from your customers' perspective, supplemented by input from your company's subject matter expert, creating a credible, interactive digital magazine for informing your customers while enticing them with a call to action.

WHITE PAPERS

World-grain.com will host your white paper and promote it to a targeted audience. White paper hosting includes a reference on the white paper listing page and a dedicated landing page.

AUDIENCE EXTENSION

Stay engaged with world-grain.com visitors after they leave our site and navigate across the web, use mobile apps or consume social media. Audience extension amplifies your message to our qualified readers resulting in higher conversion and engagement rates.

NATIVE ARTICLES

Native content extends your brand's recognition within the grain industry through our high-traffic website, world-grain.com. Your brand's thought leadership, processing expertise, or other native content will be woven within our site and will also be promoted in a World Grain newsletter to engaged readers.

CUSTOM PUBLISHING

For unique custom digital publishing projects, World Grain delivers a wealth of marketing solutions with creativity, professionalism and credibility.
